Answer the questions on the reverse side of this application form in the space provided.

References: FLSR requires two letters of reference in support of each applicant. One letter should be from a person in your church, preferably the pastor or another church leader; the other letter should be from a non-family member who has known you for at least two years and is familiar with both your character and your work (a teacher, employer or co-worker). The letters should make specific reference to your suitability as a resident in the consciously Christian student community at Foothills.

The references should be included with this application form in sealed envelopes, or alternatively, sent directly to the Student Residence Committee at Foothills, clearly marked as reference letters for the named applicant.

Application Process: Successful applicants will receive information about the resident Christian community, and a copy of the covenant that you must sign to be accepted into the residence community at Foothills. Please read all of these documents carefully, as they will serve as a guide for you time in this house.

Please return the completed application to: Foothills Lutheran Student Residence Committee
